Boy Finds Speech.

Dwyer, aged 4, son of Dr. William Dwyer, of Niagara Falls, has been frightened into the correct use of his tongue by burning his fingers.

While visiting at the apartments of Mr. and Mrs. B. H. Ross in the Wayne hotel at Toledo, Ohio last Sunday, the little fellow played with the incandescent light.

He unscrewed the bulb and stuck his fingers in the socket.

The current of electricity was turned on and he burned the end of one of his fingers severely. His cries brought Dr. Dwyer to the scene, to whom the boy said: "Papa, I burnt my fingers on the light."

The lad had been unable to speak an intelligent word since birth. Dr. Dwyer had exhausted medical and surgical skill to bring speech to him. Several times he had the little lad's tongue cut in the belief that he was tongue-tied. The operation proved unavailing. The boy is now able to talk fluently.

Mrs. Emma Wetzel Waugh.

In the 34th year of her life, at her home near Anthony, Feb. 28, 1907, Emma Wetzel Waugh, wife of Isan Waugh, quietly passed from beneath the burdens and toils of this life to a rest in the home beyond leaving to mourn her depart- ure a husband, a mother, a sister and three brothers. Mrs. Waugh was a daughter of Mrs. Sallie Wetzel of Lewisburg, and prior to her marriage had spent 14 years as a teacher in the public schools of Greenbrier county devoting her earnings to the support of her mother and the rest of the family, she being the oldest member and her mother, a widow, the burden rested heavy upon her shoulders. For over twenty years the deceas- ed had been a constant and faith- ful member of the M. E. Church South and departed this life in the fullness of christian faith.

While her life is only known to a limited number of the people of this county her husband, to whom she has only been married about 8 months is well known as he was raised on Stony Creek and for a number of years run the Waugh Mill where he was made many friends that now bow in submis- sive sympathy during his sorrow- ing hours. Death of Isaac Sharp.

The entire community was shocked Monday to learn that Isaac Sharp was dead at his home near Edray. His death was due to paralytic stroke received Saturday afternoon. He had gone to a distant field to feed his cattle, taking with him his eight year old son. Some distance from the house he was taken sick and handed the reins to his son to hold the horses. He immediately fell over on the sled. The boy hurried home and reported the fact to his sister who was the only one at home at the time and she hurried to her father's assistance, sending the boy to a nearby sawmill for help. When the men from the mill reached the stricken man's side they found him unconscious. He was taken home and remained in that condition until he died.

Mr. Sharp was one of the most prominent and highly respected citizens of the county. He is survived by a wife—his second—and eight children, besides a number of brothers and sisters. He was a son of the late Jacob Sharp and was 57 years of age. Funeral services were conducted at his home by Rev. Geo. P. Moore assisted by Rev. G. W. Marston. A large concourse of people was present at both the service and burial.

DIES SUDDENLY

Prominent Marlinton Business Man
Passes Away in Oklahoma.

Profound sorrow was felt by all of our people last Saturday afternoon when a message came announcing the sudden death of G. E. Miller, of the Nickell-Miller Hardware and Furniture Co., which occurred at Sulphur Spring, Oklahoma early that morning. The news of his death was indeed a shock for it was understood that he was getting along well and bid fair to recover.

Mr. Miller had been unwell for several months past with what was supposed to be rheumatism. A few weeks ago he went to the Hinton Hospital and there it was discovered he was suffering from consumption. He immediately went to Oklahoma but the change of climate was of no avail. His wife was summoned to his bedside last week and was with him when the end came. He was about 38 years of age and leaves a wife but no family. He was a native of Monroe county but has been a resident of Marlinton for the past three years as Manager of the Marlinton Furniture Co. and later manager of the Furniture department of the Nickell-Miller Hardware and Furniture Co. In this short time he became known to a majority of the people in this county and by his pleasing manner and strict business principles gained their warmest friendship. His remains were brought to Roncoverts Monday and were interred in the graveyard at his old home in Monroe county.

A New York special Flaherty has been released after twenty-five years in Auburn prison. He is almost as old as the babe. Until a few years ago he had never expected to see the world again, for he had dedicated himself to the fulfillment of a dream which long ago he had thought should have gone within the bars of the prison. He came out of the prison and he came out of the prison. Therefore, he was afraid.

After a while he and more curious fall he was quite this was due entirely to counsel and guidance of the "Little Man" what he will call his days, although large she is known as Ballington Boe chief of the Volcanic. Death of J. H. Patterson.

J. H. Patterson died Friday, October 4th, 1907, of paralysis, after an illness of a few days.

Mr. Patterson was born in the city of Staunton, Va., January 14, 1834. He was converted in his youth and joined the Methodist Episcopal Church, South, remaining a consistent member thereof up to the time of his death. For years he faithfully served God and his church, as Sunday school superintendent at both Greenbank and this place, in fact one of his chief delights was work among the children, who were readily attracted to him by his affectionate interest for them.

He also served his church at different times as Seward, Trustee and Representative to the District Conference, and was always ready and faithful to the call of duty. With him the Kingdom of God and his righteousness were always first and his absence will be greatly felt by his church.

He was a member of the Encampment Branch of the I. O. O. Death of Mrs. McClintic.

Mrs. Mary McClintic, widow of the late
Wm. Hunter McClintic, died in Marlinton
at the home of her son, L. M. McClintic,
at an early hour Tuesday morning. Over
a year ago she had a bad fall from which
she never fully recovered, and her death
was not unexpected. She was 94 years
of age.

Mrs. McClintic was the only daughter
of the late Sampson Mathews at one time
owner of most of the land lying around
Millpoint. Her husband, Wm. Hunter
McClintic, died some seventeen years ago.
In early life she united with the Presby-
terian church and always lived a
Christian life consistent with her faith.
Until the time of the accident which con-
fined her to her room she was a regular at-
tendant at church even though at times
it was necessary for her to be conveyed to
the church services by a dutiful son. She
was always a friend to the needy and her
kindness will not be forgotten by those
who have received aid at her hands.
Funeral services were conducted at the
Presbyterian church by her pastor, Rev.
A. B. Rachal, assisted by Revs. A. M.
Cackley, D. D., and Jacob A. Hiatt. The
floral tributes were many, her casket be-
ing literally covered. After the services
her remains were taken to Millpoint and
laid beside those of her husband in the
Mathews burying ground to await the
final summons. She is survived by four
sons, Edward D., of Seattle, Wash.,
George W., of Charleston, Lockhart M.,
of Marlinton, and Withrow, of Buckeye.

Deceased was a son of the late Allen Galford. Before he was of age he entered the confederate army and served under Lee through the entire war and was wounded in one of the battles he was in. He married Susan Gelger who preceded him to the grave some three or four years. Four sons and three daughters all growr, survive him. Funeral services were conducted Tuesday by Rev. W. F. Lowance and he was laid to rest in the Wanless graveyard. Mr. Galford was one of the most substantial citizens of upper Pocahontas county.

Mrs. Elizabeth Hannah died at her home at Sunset Saturday morning after a protracted illness. For over a year she had been confined to her bed. The illness was due to advanced age. Her surviving children are Mrs. J. C. Harper, of this county and Mrs. O. M. Pullin, of Point Pleasant. Funeral services were conducted by Rev. Thomas Morgan and her remains were laid to rest in the family graveyard at Frost. She was 71 years of age, and was a consistent christian lady all her life, being one of the trustees of the Frost M. E. Church, having taken her husband's place to that position on death.
